Dear Mr. Fries:

We are in receipt of your letter of March 30, 1983 addressed to Mr. Londres requesting information concerning permits, orders, operation, etc. for Millington Asbestos Dump Site which has been referred to me for a response.

The facility you have identified is not registered with this Division, nor do we have any record of its past operation. To determine if the facility was operating without an approval by the Department of Environmental Protection, you should contact:

Mr. David Longstreet, Supervisor  
Division of Waste Management  
Northern Field Office, Bureau of Field Operations  
459 Route 46  
Parsippany, NJ 07054

For information regarding a possible stream encroachment permit, you should contact:

Mr. John O'Dowd  
Division of Water Resources  
Bureau of Flood Plain Management  
1911 Princeton Avenue  
Trenton, NJ 08638

I suggest that you continue consulting with the Bureau of Site Management of the Hazardous Site Mitigation Administration of this Division for any further information which you may require.

Sincerely,

*John A. Castner*
